## Corporate Events @ The Bellamy Mansion

## More Than The Average Boardroom!

The Bellamy Mansion Museum now offers corporate event rentals! The Mansion offers an exquisite backdrop to create an event of historic proportions. Far from your typical banquet hall, the Mansion is one of North Carolina's premier historic treasures, featuring lush gardens, grand columns, wrap-around porches, and intricate décor.

With over 5,000 square feet of event space, you can create an elaborate party or a simple meeting. Masterfully restored inside and out, the Mansion and grounds entice you with a truly Southern atmosphere.

The Bellamy Mansion is one of North Carolina's most spectacular examples of antebellum architecture. It was built on the eve of the Civil War by free and enslaved black artisans, for John Dillard Bellamy, physician, planter and business leader and his wife, Eliza McIlhenny Harriss and their nine children. After the fall of Fort Fisher in 1865, Federal troops commandeered the house as their headquarters during the occupation of Wilmington.

The Mansion is now a stewardship property of Preservation North Carolina and is dedicated to interpreting social and architectural history and promoting a greater understanding of historic preservation, architectural history and restoration methods in North Carolina.
